

YOUR HELP IS NEEDED

By sending your prescription for blood testing strips to *Diabetes Supplies Limited* (DSL) you will be helping to fund the production and distribution of the **Diabetes Information Pamphlets** so vital to those learning to live with diabetes.

HERE'S HOW

Next time you need more test strips, simply ask your Doctor to write a separate prescription for a 3-months supply. Then pop your test strip-only prescription in an envelope and post it to:

Diabetes Supplies Ltd

Freepost DSL (A stamp saves us money)

PO Box 54

Oamaru

The service is free to those who have a community Services Card. If not, include \$1.50 (cheque or postage stamps) and DSL will dispatch your full three months supply of test strips to your door.

Your support in this way helps fund many national services for people with diabetes. Thank you!
